RE: State v. Patterson  
Case No. CF-1998-5967

Dear Mr. Haslam,

This is in response to your letter dated April 23, 2003 in which you question a reference made by addendum in a DHS report that states that Oscar Patterson had been charged with sexual molestation of "unrelated minors in the community".

As your letter indicates, Joyce Porter, the DHS investigator, has already responded to your questions regarding the reference to "unrelated minors in the community". Assistant District Attorney Michelle Bodina-Keely has confirmed that there are no charges pending against Mr. Patterson concerning sexual molestation of "unrelated minors in the community". DHS has found nothing to substantiate the reference to charges pertaining to "unrelated minors in the community."

Based upon the foregoing information, it appears the reference to Mr. Patterson being charged with sexual molestation of "unrelated minors in the community" is unsubstantiated. A notation to that effect will be placed in the DHS record in order to correct the record.

Sincerely,

*Catherine O'Leary*

Assistant General Counsel
